SUMMARY

Full Stack Web Developer with a passion for developing exceptional online user experiences. Earned a certificate in full stack web development through the University of Central Florida. Great at learning new technologies quickly and excel in fast paced, collaborative work environments. Recently worked on a team of four to develop a full stack social media web application designed for coding boot camp students to connect and share their progress. Passionate about utilizing my problem solving and collaborative skill sets in creating outstanding user experiences on the web.

TECHNICAL SKILLS

Front-End Technologies: HTML, CSS, JavaScript, jQuery, Handlebars, React

Back-End Technologies: Node.js, Express.js, MySQL, Sequelize, MongoDB/NoSQL

Programming Techniques: Object Oriented Programming, Test Driven Development, Git Version Control, Agile Project Development

PROJECTS

Campfire | github.com/Padredilg/Campfire | campfire-social-media.herokuapp.com

- Social media website designed for coding bootcamp students to connect and share ideas.
- Technologies: HTML, CSS, JavaScript, Bootstrap, Node.js, Express.js, MySQL, Sequelize ORM, bcrypt, express-session, Handlebars, Socket.IO, Browserify, Uppy

Tech Talk | github.com/AidanAmato/tech-blog | nameless-hollows-07003.herokuapp.com

- Tech blog website designed for communicating about today's technology. User's can create accounts, read and comment on posts, and create their own posts to engage with the community.
- Technologies: HTML, CSS, JavaScript, Bootstrap, Node.js, Express.js, MySQL, Sequelize ORM, bcrypt, express-session, Handlebars

EXPERIENCE

Private Music Teacher, 2016-Present, Orlando, FL

Teach a variety of piano, trumpet, and French horn students each week through Grow and Sing Studios, Lessons in Your Home, and my own private studio. Work with students to develop problem solving skills, practice strategies, and a love of music through appropriate repertoire selections.

Key Accomplishments:

- Maintain a studio of between 12-15 students per week.
- Successfully educated students of all ages and ability levels across multiple Instruments. Students participate in multiple recitals each year.

Maitland Middle School, 2019, Band Senior Intern, Maitland, FL

Participated as a full-time intern with the MMS band program. Led multiple classes on a daily basis, led students in multiple public performances, and assisted the director with the administration of the program.

Key Accomplishments:

- Led instruction in three Beginning Band classes and Jazz 2 throughout the semester.
- Assisted the director with various administrative duties.
- Participated as a conductor with each period at multiple concerts throughout the semester.

EDUCATION

Certificate, Full Stack Web Development – University of Central Florida, FL

- A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js and ReactJS.

Bachelor of Music Education, Secondary Instrumental – University of Central Florida, FL
